RECOMMENDATION LETTER

It is with much enthusiasm that we recommend the services of Nighthawk Security guard services.

We have had the pleasure of using Nighthawk Security at Nuevo Garcia Foods in San Antonio TX. Nighthawk Security, with knowledge of Manufacturing and Production companies, was essential in the transition of our new business venture with Papa Grande fka Garcia Foods.

During the renovation of the production facility, Nighthawk Security foiled a theft of a trailer on the property containing thousands of dollars of equipment. With camera footage, Nighthawk brought the attempted theft to the attention of our Chief Operating Officer and confirmed the attempted theft. James Porter and the employees of Nighthawk Security are a professional, trustworthy, and courteous company that I would gladly hire for any of my business ventures. They were a joy to work with and made all of our employees feel safe. The service provided to Nuevo Garcia Foods by James Porter and Nighthawk Security were excellent in all regards.

I am happy to recommend the services of Nighthawk Security. If you have any questions please feel free to contact me.

Sincerely
